

# TRAFFIC CABINET

## Overview

Fortran's NEMA Type M and ME Cabinets are specially designed for base mounting on a concrete base. Fortran's NEMA Type G and B Cabinets are specially designed for pole mounting with optional extension base for base mounting.

The cabinets provide weatherproof enclosures designed to house controller units, coordination equipment, conflict monitors, load switches, vehicle detectors, preemption units, and other traffic control equipment.

## Features

- Door Louvers
- Main and Police Door Lock
- Ventilated Shelves & Laptop Shelf
- Police Panel
- Slanted Roof with Drip Shield
- Provisions for an Air Filter
- Keyhole Routes

# FORTRAN
